[Lola Monroe:]

Ha-ha-ha-ha-ha all these bitches is abolished
They couldn't cum real if it f-cked them
So it's f-ck them cuttin in they guts when
The truth get to openin they worlds get to shuttin'

You learned the truth form your parents
That tucked you in for your lullabies
I learned the truth from the gunshots
That played as my lullabies, my lullabies
Like "Hush little baby, never say a word"
You ain't seen what you saw
Let the pressure fade your blurs
Cause while you'll be seeing life
He'll see life times 2."
Leavin' kids f-cked up for a lifetime too
I just got a question
Why these tellin' ass n-ggas still walkin' Thru the hoods
of the same n-ggas that they told on?
I mean they own n-ggas
N-ggas that they owe 1
The ones that bend over backwards
Be the ones that they fold on

[Los:]

These bitches ain't down for you
You better look into they eyes
I guarantee that they pray for your demise
These bitches ain't down for you
F-ck everything they said
They loyalty only go as far as bread
These bitches ain't down for you
It's f-cked up when you help them
Get the same money they put on your head
These bitches ain't down for you
You better look into they eyes
I guarantee that they pray for your demise
These bitches ain't down for you

[Lola Monroe:]

Check out the bizarre looks on they faces

Check out the Audemar
Watch me be the same bitch yesterday or tomorr'
Was raised to embrace my struggles
No matter, it born a star
G-code, G-code, f-ck happened to the G-code?
I just see hoes that's geekin' C-notes
See O's that secretly we know
Or repo your kilo's and flip it for D-Low
I see the world thru the eyes of the
Mutha f-ckin district
So in the midst of suckas
I'm a mutha f-ckin misfit
Dis it, don't mind standing alone
As long as all my grinds is thorough
No wonder women follow
I've crowned as hero-ine, zero in
This my shot you wanna burrow in
I air you pussies out, what you came for?
So ain't no takin' from me
That just get you chain sawed
