He said he never had pussy like A's
Grip so hard I put his ass in a daze
Get so wet make that nigga wanna blaze
Come and play with this pussy while you hittin' that J

A stay on her pimpin' game working for dough
Spending you would think he had a habbit for blow
I'm talkin' bold harbor? Shopping sprees plus stacks of
dough
(He beg) So I put it down now get the rest of that dough

We for gangstas I can't lie love the way they go hard
I let them fuck me with the heat I know I caught 'em off
guard
Can't fuck with a snitch like they got the fuckin' clapper
He's so G now I wanna fuck the trapper
