Almost Lost My Mind
as performed by Albert King
When I lost my baby I almost lost my mind
When I lost my baby I almost lost my mind
My eyes was full of tears
Since she left me behind
I pass a million people; I can't tell who I meet
I pass a million people; I can't tell who I meet
My eyes are full of tears

Where can my baby be?
[guitar solo]
I went to see a gypsy to get my fortune read
I went to see a gypsy to have my fortune read
My head hung in sorrow
When she said what she said
When I lost my baby I almost lost my mind
[repeat to fade]
