Laying round home alone  
On a rainy night like this  
Starving for your love  
Hungry for just one kiss

Heavy rains up ahead  
On my window pane  
Beats so loud and clear  
Words just spelled your name

I got nowhere to turn to  
Tired of being alone  
I feel like breaking up  
Somebody's home

I know it's useless  
Hanging on when  
You belong to someone else

Can't control the feeling  
Cause after all  
I didn't make myself, yeah

Last night, I cried so hard  
I believe I caught a chill  
Can't control the vibration  
My heart just won't stand still

I got nowhere to turn to  
Tired of being alone  
I feel like breaking up  
Somebody's home, yeah, yeah

I know you hear me talking  
I'm getting awful lonesome here

I know it's useless  
Hanging on when you  
Belong to someone else

Can't control the vibration  
Cause after all

I didn't make myself

Got nowhere to turn to  
Tired of being alone  
Feel like breaking up  
Somebody's home, yeah
