I wonder where this, I wonder where this
Sears Roebuck drummer come from

Hey baby, can't you see what you're doing to me
Hey baby, baby, baby, can't you see what you're doing
to me
Well, you say you're gonna leave me, darling
You're going back to your old time, used to be

I work two jobs, I bring home all the pay
If you tell me you love me then try to do some things
my way
Hey baby, can't you see what you're doing to me
Well, you say you're gonna leave me
You're going back to your old time, used to be

Hey now, yeah, yeah, come on band, sounds alright

I work two jobs, I bring ya all of the pay
If you tell me you love me then try to do some things
my way
Hey baby, can't you see what you're doing to me
Yeah, you say you're gonna leave me, darling
You're going back to your old time, used to be

Hey baby, can't you see what you're doing to me
Hey, baby, baby, baby, baby, baby
Can't you see what you're doing to me
Now you say you're gonna leave me, darling
You're going back to your old time, used to be
