One of these days an' it won't be long
You gonna look for me an' I'll be gone
I believe, I say I believe right now
Woah-oh-oh, baby, you're tryin' to make a fool of me
now

You're goin' 'round here with your head so hard
I think, I'm gonna have to use my rod
I believe, I say I believe right now, yeah
Hey, hey, hey, baby, my woman tryin' to make a fool of
me now

Last night you were dreamin' when I heard you say
"Ho Johnny", when you know my name is Ray
I believe, I say I believe right now, yeah
Woah-oh-oh, baby, you're tryin' to make a fool of me
now

You're goin' 'round here with your head so hard
I think, I'm gonna have to use my rod
I believe, I say I believe right now
Hey, hey, hey baby, you're tryin' to make a fool of me
now
