I should-a quit you, a long time ago  
I should-a quit you, baby, a long time ago  
I should-a quit you baby  
An' went on to Mexico

If I had-a followed, my first mind  
If I had-a followed, my first mind  
I would-a been gone, yeah  
My second time, yeah

I should-a went on  
When my friend come from Mexico an' me  
I should-a went on baby  
When my friend come from Mexico an' me

No foolin' 'round 'wit cha' darling  
You got me on the killin' floor

God knows  
I should-a been gone  
God knows  
I should-a been gone

No foolin' 'round wit' cha baby  
I let you put me on the killin' floor
