Dancing underneath the neon lights  
Sexy and single  
Doing fine on my own  
Sipping my wine  
I'm feeling the tingle

But it's dangerous out here  
Heartbreak is what I fear  
Playboy gangsters everywhere  
I duck and I should dive  
If I wanna stay alive  
I saw him rolling up  
And I felt it in my gut

Bang bang  
Shot me down with your love  
Bang bang  
And I don't wanna get up  
Tinted windows on your car  
Took a bullet to my heart  
And it felt like a drive by  
Bang bang  
Your beautiful gun  
Bang bang  
Hit me baby don't run  
Tinted windows on your car  
Took a bullet to my heart  
It felt like a drive by bang bang

You could say it was love love at first sight  
Pulling the trigger  
It's criminal just how you blew my mind  
Boy you're a killer

But it's dangerous out here  
Heartbreak is what I fear  
Playboy gangsters everywhere  
I duck and I should dive  
If I wanna stay alive  
I would call the cops  
But I don't want you to stop

Bang bang  
Shot me down with your love  
Bang bang  
And I don't wanna get up  
Tinted windows on your car  
Took a bullet to my heart  
And it felt like a drive by  
Bang bang  
Your beautiful gun  
Bang bang  
Hit me baby don't run  
Tinted windows on your car  
Took a bullet to my heart  
It felt like a drive by bang bang

[Rap:]

That boy was trouble right from the start  
Karate kicked down my prison heart  
Now his pistol is a missile  
From LA to Bristol  
Can't sleep a wink without my brand new boo  
But I ain't Betty, I ain't doin' the do  
My head's spinnin' round like Dr Luke  
Drive by me I'ma drive by you

Bang bang  
Shot me down with your love  
Bang bang  
And I don't wanna get up  
Tinted windows on your car  
Took a bullet to my heart  
And it felt like a drive by  
Bang bang  
Your beautiful gun  
Bang bang  
Hit me baby don't run  
Tinted windows on your car  
Took a bullet to my heart  
It felt like a drive by bang bang
