I hurry up and wait for you and all your dirty games
Such a stupid thing to do because you'll never change
It's guys like you baby
That give love a bad name honey
You're a carnival attraction even though you make me
sick
I wanna ride again cuz I must be a little bit
Crazy for you in fact I think you're kinda cool, yeah

I've let you go a thousand times
Tell myself I must be out my mind
To pick up one more call
But here I go, here I am
Standing at your door oh

[Chorus]
We go around and round like a carousel
Break up to make up
Love you then I hate you, well
Can't get off this carousel
It's a merry go round, you're my fun fairground
[x2]

Slow down, got, got to slow down
Got, got to slow down
Got, got to slow down

Friends try to talk me down off the ledge
Whenever you're 'round seems I loose my head
It's freaks like you baby, baby, that can make a girl
loose honey
I tell myself you're misunderstood
Maybe with a little love you might change for good
I'm wasting my time
And I'm a little love blind, ooh oh

You're so strange and beautiful
I'm addicted, hungry like a wolf
You spin my head right 'round
Don't treat me like a playground
With your games up and down

[Chorus]

We go around and round like a carousel
Break up to make up
Love you then I hate you, well
I can't get off this carousel
It's a merry go round, you're my fun fairground
Whooo, whooo

[Bridge]

Why do I love you? Give me a reason
Why do I stay when I should be leaving?
Why can't I get you off my mind?
Why do I think of you all the time?
Why do I think of you?
Why do I think of you?
We go, we go...

[Chorus]

We go around and round like a carousel
Break up to make up
Love you then I hate you, well
I can't get off this carousel
It's a merry go round, you're my fun fairground
We go around and round like a carousel
Break up to make up
Love you then I hate you, well
I can't get off this carousel
It's a merry go round, you're my fun fairground
Slow down...
