[Verse 1]

Like a sucker I'm a hunter
Chasing after you all night
Cus I'm never gonna change ya
You're a bachelor for life
The illusion the confusion
Truth cuts me like a knife
I'm bleeding glitter all the time

[Pre-hook]

Playin' with fire I should know by now
So tell me why I keep on coming round

[Hook]

Every time the beat drops I just fall apart
Shooting me in circles and I'm seeing stars
Like dancing on diamonds [x3] (loving you is like)
This could be forever
What ya gonna do
Blinded by your spot light
Cus every night with you's
Like dancing on diamonds [x3]

[Verse 2]

Should I give up
Should I let up
Put ya back into the box
Cus I can't afford to pay
The broken hearted price it cost
But ya look so flossy flossy
Hanging on my chain of love
I guess I just can't give it up

[Hook]

Every time the beat drops I just fall apart
Shooting me in circles and I'm seeing stars
Like dancing on diamonds [x3] (loving you is like)
This could be forever
What ya gonna do
Blinded by your spot light
Cus every night with you's

Like dancing on diamonds [x3]

[Bridge]

I don't know where this will go
But I know where it's gonna lead
I'll be waking up with shattered gems all over me
I don't what day it is but I know tonight I'll be

[Hook]

Every time the beat drops I just fall apart
Shooting me in circles and I'm seeing stars
Like dancing on diamonds [x3] (loving you is like)
This could be forever
What ya gonna do
Blinded by your spot light
Cus every night with you's
Like dancing on diamonds [x3]
