Hey limousine lover!
It's long, it's black, it's parked out in the back

Boy it's that inner pimp I like in you
Got me doing things that I would never do
You know I love it when you roll through
I see those rims extra wide
Catch a sparkle in my eye

Leather and shiny lights it's so lavish inside
It's a luxury life
In the backseat full recline
Super freaky tonight (that's right)

Take me for a ride (in your limousine)
You know what I like (in your limousine)
Pull up to my love drive into my life
In your limousine

Driver turn the system up for me
O-M-G it's even got a jacuzzi
I'm a little tipsy on some Malibu
Cuz I'm shouting at the people hanging out the roof

Leather and shiny lights
its so lavish inside
It's a luxury life
I'm in the backseat full recline
Super freaky tonight (that's right)

Take me for a ride (in your limousine)
You know what I like (in your limousine)
Pull up to my love drive into my life
In your limousine
Limousine [x4]
Pull up to my love drive into my life
In your limousine

It's long, it's black, it's parked out in the back
It's built to last, this party is a blast
It's hot, it's steamy, nobody can see me

It's just another scene in a limousine

Take me for a ride (in your limousine)
You know what I like (in your limousine)
Pull up to my love drive into my life
In your limousine
Limousine [x4]
Pull up to my love drive into my life
In your limousine
Hey limousine lover!
It's so freakin' fine
It's long, it's black, it's parked out in the back
Limousine oh yeah
