I don't know why I even
Gave my time to you
My love you disrespected
With your nasty attitude

You and your selective memory
Only seeing what you wanna see (just wanna blame
me)
Breaking up is always hard enough
Now you wanna drag me through the mud
(You're so dirty)

[Hook]
Threw mama from the train
Tryin' to ruin my name
Threw me under the bus
(Under the bus)
Riding all over the town
Spreading rumors around
Threw me under the bus
(Under the bus)

Don't throw me, throw me, throw me under the bus
(Under the bus)
Don't throw me, throw me, throw me under the bus
(Under the bus)
I'm under the bus

Friends tell me you got
A new girl and you're moving on
So why are you still bitter
Can't you just leave me alone

You and your selective memory
Only seeing what you wanna see (just wanna blame
me)
Breaking up is always hard enough
Now you wanna drag me through the mud
(You're so dirty)

[Hook]

Threw mama from the train
Tryin' to ruin my name
Threw me under the bus
(Under the bus)
Riding all over the town
Spreading rumors around
Threw me under the bus
(Under the bus)

Don't throw me, throw me, throw me under the bus
(Under the bus)
Don't throw me, throw me, throw me under the bus
(Under the bus)
I'm under the bus

Wheels on the bus go round and round and round
Wheels on the bus go round and round
All night long
[x2]

[Bridge]
You're a bad boy killjoy
Could have been forever boy
Ran over our love in a double decker bus
I'm in the drive seat bus past heartbeat
Better pay the fare girl nobody gets to ride for free

And the wheels keep turning and the beats keep
burning
Cus you crashed into my poor little heart
At the zebra crossing the people they keep on stopping
Cus they can't believe I'm under a car

[Hook]
Threw mama from the train
Tryin' to ruin my name
Threw me under the bus
(Under the bus)
Riding all over the town
Spreading rumors around
Threw me under the bus
(Under the bus)

Don't throw me, throw me, throw me under the bus
(Under the bus)
