[Verse 1]

Animal attraction  
I got your attention  
You bring out the beast in me  
Get into my cage  
Let me misbehave  
I'll show you how bad I can be

[Hook]

I'm a zebra, I'm whatever you like  
If you're hungry, come and eat me alive  
Up in my zoo  
If you're a hunter come and shoot me tonight  
I wanna break out  
I wanna un-civilize  
Up in my zoo

I got the beat that you ride  
I got the beat that you like  
I'm gonna build that zoo  
That zoo, that zoo that you like

[Verse 2]

I'm a little mama  
Pocket full of drama  
You can't keep your hands off me  
Won't you come on my safari  
Leopard skin Ferrari  
We're tearing it up in the back seat

[Hook]

I'm a zebra, I'm whatever you like  
If you're hungry, come and eat me alive  
Up in my zoo  
If you're a hunter come and shoot me tonight  
I wanna break out  
I wanna un-civilize  
Up in my zoo

[Bridge]

It's not complicated, it's just love we're making

I'm just saying what's on your mind  
[x2]

[Hook]

I'm a zebra, I'm whatever you like  
And if you're hungry, come and eat me alive  
Up in my zoo  
If you're a hunter come and shoot me tonight  
I wanna break out  
I wanna un-civilize  
Up in my zoo

[Bridge]

It's not complicated, it's just love we're making  
I'm just saying what's on your mind
