I went to see her just this morning  
To see how the child might be  
She sat there smokin all my cigarettes  
At a table set for three  
I could've cried  
I could've cried...When she said

I don't love you anymore  
I was slain and shown the door  
Ain't no room here anymore  
Please don't look to me for help  
All the pain is with yourself  
All the blame is with yourself

So I went and seen my friends  
I tried to turn to them for help  
But all that any of them said  
You gotta look out for yourself  
I could've cried  
I could've cried...When she said

I don't love you anymore  
I was slain and shown the door  
Ain't no room here anymore  
Please don't look to me for help  
All the pain is with yourself  
All the blame is with yourself

Ohhhh  
You're all I ever wanted  
All I ever needed  
Every time I see your face  
Reminds me baby of what we had  
I get so lonely, Ooooh yeah yeah yeah yeah

All our lives I've been down  
Always seemed in emptiness  
I say my prayers every night  
But even God don't care less, Ohhh yeah  
I could've cried  
I could've cried...When she said

I don't love you anymore  
I was slain and shown the door  
Ain't no room here anymore  
Please don't look to me for help  
All the pain is with yourself  
All the blame is with yourself
