Since you went away I,
I've been hardly sleeping
I've been suffocatin'
Drinkin' never eatin'
Pleased to see you
- I've been waiting for so long
Pleased to see you
- I've been waiting far too long
Can't go on without you,
doesn't make any sense
I can't make any ends meet,
I can't make any friends
You've got to show
what you've got hidden up your sleeve
I just got to know
why Adam fell in love with Eve
Since you went away I,
I've been writing letters
smoking without filters,
playing stupid records
Pleased to see you
- I've been missing You so long
Pleased to see you
- I've been missing You too long
Can't go on without you,
God I need a rest
Adam should have played it safe
and turned his back and left
You've got to show
what you've got hidden up your sleeve
I just have to know
why Adam fell in love with Eve
