It always seems the same
Laying the tracks for your own train
Break the rules, but not the chains
With no mistakes I choose
Got nothing left to lose
You cannot judge a man
Until you've walked in his shoes
It'll be all right
Set me free tonight
Cause I swear I got no strength
Left to fight
Shaken by the hand
Count the hours in the sand
Don't you know I'm doing all I can
You say it's so complete
But I say that it's weak
But you could've, but you shouldn't
No you didn't
Keep your dreams alive
Johnnies got a new game that he don't know how to
play
One plays that you don't try.
