No use cryin' now  
You'll get by somehow  
You thought that you had me  
Just where I ought to be.  
You thought I was So Much Love with You, yeah  
Do what you wanna do  
But now you know, I've changed my mind.  
You can't send me away  
Then ask me to stay  
We've never been the same  
Since you played your game.  
You thought I was So Much in Love with You,  
yeah  
Do what you wanna do  
But now you know, I've changed my mind.  
Did you believe I was a fool  
That I never saw through the wool  
you pull over my eyes.  
I think you better find  
Someone who's more your kind  
Someone who'll be your clown  
Someone who'll push you round  
You thought I was So Much in Love with You,  
yeah  
Do what you wanna do  
But now you know, I've changed my mind  
You thought I was So Much in Love with You,  
yeah  
Do what you wanna do  
But now you know, I've changed my mind  
Now you know, I've changed my mind
