It's midnight and she walking in  
My room with the trench  
Got a body like you've never seen  
As it came and ready just for me  
I got my picket from room  
It's an event every time we go it  
I'm the only one that's getting in  
You got to hold up wait a minute yeah  
You make me wanna say

Chorus:

Oh, sometimes I wanna scream your name like  
Ohh, yeah put that on me any way you like  
Shawty I love it, love it, love it  
Shawty I love it, love it, love it like  
Oh, just scream it like ohh

So good we'd better slow it down  
If it wanna last  
Save a little for a second round  
Come my emotions moving fast  
'Cause the way she drop it  
From the bed to the floor  
Oh girl we stop it got got waiting to floor  
For early... we do in the moon  
Making the toast we celebrate and last

Chorus:

Oh, sometimes I wanna scream your name like  
Ohh, yeah put that on me any way you like  
Shawty I love it, love it, love it  
Shawty I love it, love it, love it like  
Oh, just scream it like ohh

It ain't no secret girl I'm wonder the freak it  
Think of that for in so when go in you can't resist  
Time going like deep dish, sweeter than Georgia  
preaches  
Nigga love till your body is a... let me speechless

Oh, want that, I need that

I'ma put you to bed girl believe that  
Go ahead it's okay to give me  
And now you got me screaming

[Chorus:]
