You wrapped your arms around my heart
And won't let go of it.
And I know the first time I'd seen ya.
There would never be a space between us.
You loved so hard, I dropped my guard,
Cause I didn't see no signs.
So giving you my love was easy,
Cause I know you never crossed the line.

CHORUS:

Im sure that I'll be safe so Imma let you know,
Life's a stage we'll perform until the curtains close.
Oops, encore, when I need more, you give it to me
It's the greatest feeling,
To know you love me and that's why.
Im yours cant wait till you come home
Cause it's the way that you love,
That makes me wanna surrender to you.
Im yours Im giving you my all and every piece of my
heart,
You can have forever, no question
I'm yours.

You got my mind got my body
So I know this is,
Clear as the air between us,
Solid as the ground beneath us.
Theres ups and downs and rollercoasters
Cause we choose the ride,
Cause we can never catch perfection
But I know you give your best to me.

[CHORUS]

I'll be forever there, lady,
I can't describe how you made me ... feel
This is the way is supposed to be,
And its stronger everytime that you're close to me.
Thats why . . .

(Im yours cant wait till you come home
Cause it's the way that you love,

That makes me wanna surrender to you.
Im yours Im giving you my all and every piece of my
heart,
You can have forever, no question
I'm yours.) x 2

Im giving you everything,
Just what you want,
You can have just what you want.
Im yours .. Im yours
