(feat. Tank)

[Intro:]

Ha-ha-ha now I hope you didn't think that I was gonna
put a mix-tape
Without my brother Tank on it!

Supa Friends!
Come!

From my X-ray vision, girl I knew that you was gonna be
mine (mine)
You was gonna be mine, yeah, yeah!
Had a funny feeling you was on me at the same time
(time)
At the same time!
No relationship, ... hella with
Ain't ready for love but ain't fightin it
I just want someone to understand my needs
I need my

Chorus:

Supa friends
That's all I wanna be,
That's all it gotta be!
Supa friends
The kind of friends to be
Down to do anything!
Fuck with you,
I wanna do something so damn fine with you
You can save my life,
I wanna save your life tonight
I want you to be my supa, supa friend!

I got my Ray Bans on, my Gucci shades on
All I want you to do is ride with me, I'll put this cape on,
yeah!
And we can fly high, mount high,
I need you on this fine mount high!
No relationship, we just can't commit, uh yeah
I'm ready for love but ain't fightin it

I hope that you can understand my need, my needs
I need my

Chorus:

Supa friends
That's all I wanna be,
That's all it gotta be!
Supa friends
The kind of friends to be
Down to do anything!
Fuck with you,
I wanna do something so damn fine with you
You can save my life,
I wanna save your life tonight
I want you to be my supa, supa friend!

Ain't no checking in (you can do what you want)
Just let me break it in (you can scream all you want)
(It can be supa cool)
Holler at me if you feelin supa cool
Be my super friend
Be my super friend, oh
Be my super friend, my, be my
Be my oh oh

Chorus:

Supa friends
That's all I wanna be,
That's all it gotta be!
Supa friends
The kind of friends to be
Down to do anything!
Fuck with you,
I wanna do something so damn fine with you
You can save my life,
I wanna save your life tonight
I want you to be my supa, supa friend!

Supa friends, hey, hey
Won't you be my supa, supa friend?
Hey, hey, won't you be my supa friend?
Fuck with you, I wanna do something so damn fine with
you
You can save my life, I wanna save your life tonight
I want you to be my supa, supa friend!
