feat. J-Doe

Love Games Part 2
This one's called Two Wrongs
Featuring my boy J-Doe

Yea, they at it again
Here we go

So many times that I done messed up
Every time that I done slipped up
She take me back, I tell her that
I'm never gonna do that again, but
I end up doing the same thing
The ladies wanna be on a love train
I can't deny it but I keep tryin
To be good for my main thing

Before she gone gone gone
Cause I'm the one and she gon catch me
And my baby ain't gon let me come back home home
home
But I never thought that I'll see the day

That she be out there doing the same thing
Loving another man
I can't get it out of my head
While I was out there trying to get it in
She wasn't innocent
Doing everything that I did

[Chorus]
Yea, I should've known
That she wouldn't be home
When I left the note
Yea point no fingers,
I ain't right and she ain't right
We just 2 wrongs

I was on the south side creepin
She was on the north side sneakin

She lyin to me, I'm lyin to her
We both think the other one believe it
I come in smelling like perfume
I'm smelling something different on her too
But I pay it no mind cause I know my lady wouldn't do
the shit that I do

And I don't know know
I wouldn't have felt so bad
While I was out there spending cash on these hoes
hoes hoes
And never can I close my mind

And she be out here doing the same thing

That she be out there doing the same thing
Loving another man
I can't get it out of my head
While I was out there trying to get it in
She wasn't innocent
Doing everything that I did

[Chorus]

Yea, I should've known
That she wouldn't be home
When I left the note
Yea point no fingers,
I ain't right and she ain't right
We just 2 wrongs

Uhm, I've been fuckin these bitches only on the
weekend
She gets sneakin a nigga out right before I come
sneakin
Yea I'm cheatin but she creepin
I don't even ask where the fuck she been
'Cause I don't her to ask about leaving
So uh, I let her do her, she let me do me
Oh, well she going to work or calling these 2 freaks
Whoa, I beat that down, I kick that out
Then my bitch come home
Get me right back on

She be out there doing the same thing
Loving another man
I can't get it out of my head
While I was out there trying to get it in
She wasn't innocent
Doing everything that I did

[Chorus]

Yea, I should've known
That she wouldn't be home
When I left the note
Yea point no fingers,
I ain't right and she ain't right
We just 2 wrongs

We just 2 wrongs
We just 2 wrongs.
