Starbursts in the sky.
Hindsight is 20/20.
My vision drives me blind.
My mission is to free you from your binds.

Can you hear me,
Buried in your grave?
Can you feel me?
One kiss to ease the pain.

Chorus
You're cold on the table, I'm willing and able.
Yes, I will cry for you.
No matter the weather, nothing lasts forever.
Yes, I will die for you.

I will, you know I will -

Verse 2
The sun sets in the West.
My chances are 50/50.
This poison's bitter taste.
My teardrops kiss your face.

Will you fear me,
When I'm by your side?
When you're near me,
I can never die.

Chorus
You're cold on the table, I'm willing and able.
Yes, I will cry for you.
This hapless endeavor, nothing lasts forever.
Yes, I will die for you.

I will, you know I will -

Verse 3
I softly hear your voice,
Lingering in the hall.
I softly hold your hand,
As the angels call.

Bridge
Ahhhh, ahhhh.

She opens her eyes.
This twisted twist of fate.
My fatal mistake.
Rise, young girl, rise.

Outro
Can you hear me?
I will cry for you.
Can you feel me?
I will die for you.
Can you heal me?
I will rise for you.
