[Melanie]

I ain't crushing down, I ain't gonna drown
I won't let you, tear up these eyes
I'm just gonna move, whole new attitude
I won't miss you, when you cross my mind

[Charly Q]

You're a fool if you think that my nights on the bring
I came here to get down
Lookin' fierce lookin' slick, You can't play with this chick
DJ turn it up loud

[Love Generation]

I'll dance alone, keep the music playin on on and on
I'll dance alone, I can do it on my own yeah yeah yeah
I don't need you tonight got the girls on my side
And now we having the time of my life
So (wow?) keep the music playin' on
I'll dance alone

Covered up by lights, breaking up the ice
With my hands up high, enjoying the ride
