Five movie marathons
Nine times that same song
I'll have to get back to you
I've got a thousand things to do

10 hours in the bed
4 hours on the phone
What have I got to eat

1 hour in the shower
2 hours trying shoes on
I ain't got time to talk
I'm heading for a walk/wall

Five movie marathons
Nine times that same song
I'll have to get back to you
I've got a thousand things to do

I write my name a hundred times
I'm thinking of words that will rhyme
I write my name a hundred times
I'm thinking of words that will rhyme
I'm staring out the window,
Oh where to does the wind blow?

10 hours in the bed
4 hours on the phone
And I forgot to eat

1 hour in the shower
2 hours trying shoes on
I ain't got time to talk

Five movie marathons
Nine times that same song
I'll have to get back to you

I write your name a 100 times
I'm thinking of words that will rhyme
I'm staring out the window,
Oh where to does the wind blow?

I'm always busy doing nothing
Busy, busy doing nothing
I'll have to get back to you
I've got a thousand things to do
I'm always busy doing nothing
Nothing... nothing...

(Five movie marathons
Nine times that same song
I'll have to get back to you
I've got a thousand things to do) x2
