Felt tip, Hit kids
Click your fingertips
Black hat, Cool cat
You wanna show me that
You want, you care
You little people stare
You demand and you need
You wanna take the lead

Spray can, New fan
Going faster than
Quick feet in the street
Step right on the beat x 3

Felt tip, Oh kids
Click your fingertips
Black hat, Cool cat
Come on and show me that
You want, you care
Oh, you little people stare
You demand and you need
You wanna take the lead

Spray can, New fan
You're going faster than
Quick feet in the street
Step right on the beat x 4

[bridge]

Felt tip, Hit kids
Click your fingertips
Black out, Konk out
Come on and show me that
You want and you care
Oh, you little people stare
You demand and you need
You wanna take the lead

Spray can, New fan
Going faster than

Quick feet in the street
Step right on the beat x 4
