I looked for a sign on the palm of my hand
But there was nothing there that I could understand
Yeah, I looked for a sign on the palm of my hand
There was nothing there that I could understand

So I searched for a future in a deck of cards
But what I found, it won't get me far
Yeah, I searched for a future in a deck of cards
But what I found, it won't get me far

So I threw my money in a wishing well
But nothing got better; I was slightly wetter
Yeah, I threw my money in a wishing well
But nothing got better; I was slightly wetter

I'm casting spells left and right
'Til I'm cashing everything in my sight
Yes, I'm casting spells left and right
'Til I'm cashing everything in my sight

In a burning building it was time to go
I left my eggs on the stove
It burned my shoes, and I stained my dress

I threw my money in a wishing well
But nothing got better; I was slightly wetter
Yeah, I threw my money in a wishing well
But nothing got better; I was slightly wetter

I'm casting spells left and right
'Til I'm cashing everything in my sight
Yes, I'm casting spells left and right
'Til I'm cashing everything in my sight
