We sit in a diner booth
Ordering greasy food.
Met a few years ago
When you were 15 years old
But now you give me those looks
And why you gotta smell so good
Girl you are much too young
For us to fall in love
And your lips curl up
As our eyes like trucks
High beam each other head to head on the highway of
the table's edge
Simply put
Sometimes I get caught staring at you
Sometimes I get caught staring at you
Wondering if in five years I'll play the fool
Just for getting caught up
Staring at you
And we go:- doo doo doo do doo doo doo doo doo doo
doo doo do doo do doo doo do do doo doo do doo
Well of course you look mighty cute
Wearing those scenester shoes
My Reeboks they're out of date
And don't help to mask my age
With an iPod filled with songs
I've never even heard of
So I try extra hard to laugh to fill in the generation gap
And when you strut all you say is what
But you know exactly what you do
Don't play it like you have no clue
'Cause you know you do
Sometimes I get caught staring at you
Sometimes I get caught staring at you
Wondering if in five years I'll play the fool
Just for getting caught up staring at you
'Cause you'll be the muse for all the boys writing songs
And you'll be the reason all of them fall in love
Time's a funny thing can't wait to see how you change
Your beauty will blow up with age
Sometimes I get caught staring at you
Sometimes I get caught staring at you
Sometimes I get caught staring at you

Wondering if in five years I'll play the fool
Just for getting caught up staring at you
Just for getting caught up staring at you
Just for getting caught up staring at you
Sometimes I get caught staring at you
Sometimes I get caught staring at
Sometimes I get caught staring at you
Sometimes I get caught staring at
Wondering if in 5 years I'll play the fool
Just for getting caught up staring at you
