Verse 1:

I love you.
You love me.
You touch me.
I touch you.

I want you.
You love me.
You are mine.
You are the best.

Verse 2:

I love you.
You squeal out.
I do that.
I want you.

I like you,
naturally.
You are mine
Friendly baby.

Chorus:

I want Anarchy.
I want you.
I want you, baby.
You want me.

I love you, baby.
I like you.
I like you big time.
I have done that.

Verse 1 (repeats):

I love you.
You love me.
You touch me.
I touch you.

I want Anarchy.
I want you.

I want you, baby.
You want me.

I love you, baby.
I like you.
I like you big time.
I have done that.

Solo:
We are friends.
The horn plays.
We have fun
In this space.

I want you.
You are the best.
You are cool.
So am I.

Chorus:
I want Anarchy.
I want you.
I want you, baby.
You want me.

I love you, baby.
I like you.
I like you big time.
I have done that.

I want Anarchy.
I want you.
I want you, baby.
You want me.

I love you, baby.
I like you.
I like you big time.
I have done that.
