I buy the Icicle Song.  
You buy it, too.  
I love you.  
You love me.

CHORUS:  
You feel a shiver down your spine.  
You touch me.  
I touch you too.  
We have fun.

You run to me.  
You touch the icicle.  
I run to you.  
I touch the icicle too.

CHORUS:  
You feel a shiver down your spine.  
You touch me.  
I touch you too.  
We have fun.

I am interested in you.  
I have fun with you.  
I put my hand into your hand.  
I satisfy you.

CHORUS:  
You feel a shiver down your spine.  
You touch me.  
I touch you too.  
We have fun.
