"Gracious Creature"

I love the gracious creature in my lap.
She's the sole provider of my happiness.

I didn't come here to bend.
But all our little feuds they should end.
Where is the magic?
Nothing to see, those crystal eyes I adore.

I love the gracious creature in my lap.
She's the sole provider of my happiness.

I am ready, subjugate your fears.
Could you bare to spare me some time?
I could not understand why you found my surrender so
bland.
Your name is always on my mind.
