

The Narrow **"Notes On Breathing"**

Visit "[Notes On Breathing](#)" on MotoLyrics.com

All these wheels, dreams of old, A Lifeless sole.
The road is never clear, fueled by tears and notes on
breathing.

And now here I am, an aching man.
Not for you not for the world and notes on breathing.
This will haunt me no...
No more...

He's the One now!
Can you hear me?
Stand beside me and carry everything I need!

Now these nights have sleep
And these days are mine to give to the One who gave
you love.
Who gave you love.
This will haunt me no...
No more...

He's the One now!
Can you hear me?
Stand beside me and carry everything I need!

He's the One now!
You can here me!
You stand beside me and carry everything I need!
