Faith!

I'm supposed to get this right, not so?
But I sold the pressure and fueled the fire.
Keep playing the worldly games and you keep missing
the goals you aim man.
Fuel the fire.

I'm supposed to get this right.
Your supposed to stay in sight.
And no one does it better.
I'm supposed to get this right.
Your supposed to paint the night.
And no one does it better.

Braced me,
And then He changed me.
But He promised the world!
But the mind don't stall.
I won't give you peace.
Fuel the fire.
But the book says:
Why don't you just ask?
Stop mocking what you dare not task.
You fuel the fire.
