Verse 1

Stop, Dont you worry, Your mind will find me yeah
Pause dont fast forward rewind,
play your precious time
No need to stress your next step.
No need to stress

Pre-Chorus

Oh, Im here beside not behind
Its you this time
We're meant to be
You and me
Just the way it is

They try to tell us we're wrong
That we cant love when were young
No need to stress your next step
We'll prove them wrong

Chorus

Wait up, you've gotta wait up for me
'Cause you're the one I love to see
Wait up, you've gotta wait up for me
'Cause this is how its meant to be
Pre Chorus

Oh, Im here beside not behind
Its you this time
Oh, We're meant to be
You and me
Just the way it is

Oh, no need to stress your next step
No need to stress

Chorus

Wait up, you've gotta wait up for me
'Cause this is how its meant to be

Wait up, you've gotta wait up for me
Ooooohhh

Wait up, you've gotta wait up for me
'Cause you're the one I love to see

Wait up you've gotta wait up for me
'Cause this is how it's supposed to be
