I don't wanna feel like I'm stranded

You left me all alone  
I can't take it no more  
I wish that you were here by my side  
Cause I remember those days  
When it wasn't our time  
If I could right the wrong that I did  
I would give it all to you  
If you were here  
I know you would too  
I know you would too... yeah

#### CHORUS:

I don't wanna feel like I'm stranded  
Oh baby I don't wanna be here alone  
Cause I don't wanna feel abandoned  
But baby heaven is the place our love belongs

Now that I'm alone  
And you walked away from me  
I just don't wanna live anymore  
Anymore, anymore baby  
I gave my life to you  
like you gave your life to me  
If only I could show what I mean  
Cause I need you more than ever  
If you were here  
You would need me too  
Don't wanna be, don't wanna be

I don't wanna feel like I'm stranded  
Oh baby I don't wanna be here alone  
Cause I don't wanna feel abandoned  
But baby heaven is the place our love belongs

#### Bridge:

I know I'll see you again some day  
I'll be waiting for that all my life  
All my life  
I know that things would be the same again  
I know some day I'll see you again

I don't wanna feel like I'm stranded  
Oh baby I don't wanna be here alone  
Cause I don't wanna feel abandoned  
But baby heaven is the place our love belongs

I don't wanna feel like I'm stranded  
Oh baby I don't wanna be here alone  
Cause I don't wanna feel abandoned  
But baby heaven is the place our love belongs
