I'm gonna win the lottery, going high society, gonna start behaving, shaving, cleaning up my act, i'm gonna get me a cadillac

Gonna spend thousand dollar bills, on every kind of cheap thrill, gonna get some bling gonna talk a little smack, i'm gonna get me a cadillac  
[yeah]

COURSE: Riding in style, mile after mile, long and lean shiny and black ,all the little womens gonna want to get me back, when i get me a cadillac  
[yeah]

Sitting pretty riding sweet (sitting pretty riding sweet), custom rims leather seats (leather seats), i'm gonna give away my busted, rusted, Pontiac, gonna get me a cadillac

Gonna find a sweetheart, turn my key and make me start, a sugar coated, fully loaded, aphrodisiac, i'm gonna get me a cadillac  
[ohhh yeah]

COURSE: Riding in style, mile after mile, dangerous curves, pretty and stacked,all the little womens gonna want to get me back, when i get me a cadillac  
[ohhh yeah]

I dreamed i'm at the pearly gates, saint peters said you'll have to wait, he looked at me and smiled and said i'm gonna send you back unless you get me a cadillac

COURSE: Riding in style, mile after mile, long and lean shiny and black, the hall of fame a cooler is gonna put me on the plaque, floating on wings, rocking like the king, rumbling like a frate train rolling down the track, all the little womens gonna want to get me back, when i get me a cadillac

You can kiss my bumper cuz i'm never coming back,  
when i get me a cadillac  
[thats right]  
[whooo]  
[aint settling down]  
[thats a honkin ride]
