Are All Mighty God, he's watchin' over us
He knows everything we're doin', and he don't make a
fuss
There ain't nothin' that he does not know
He is a powerful man, and what he says goes

(Chorus)

Let freedom ring, in my home town
Let peace, spread around
Let our own time, and good ole towns
Not let us down
Let's all grasp our hands and shout it out loud
Let freedom ring, in my home town
Let peace, spread around

When the time comes around, we will all know
Because the land will change, and for that it shirley
shows
What happened to all those times with God, peace and
love?
I miss all those days, at the drive-in-shows

(Chorus)

Let freedom ring, in my home town
Let peace, spread around
Let our own time, and good ole towns
Not let us down
Let's all grasp our hands and shout it out loud
Let freedom ring, in my home town
Let peace, spread around

Don't take your time, don't hesitate
Make a stand for the U.S. of A.
And from up above, God will see you
He'll see you there and pull you through

(Chorus)

Let freedom ring, in my home town
Let peace, spread around
Let our own time, and good ole towns
Not let us down
Let's all grasp our hands and shout it out loud

Let freedom ring, in my home town
Let peace, spread around

Let freedom ring, in my home town
Let peace, spread around
