You are my friend

You are my dream  
Aa, hajimete bakka, kimi wa my long lost friend  
Whoa, ima tabidatsu yo!

You are my friend  
Aa, you still remember the dream we had that day,  
don't you?  
You are my dream  
Aa, we'd just gotten started, you are my long lost  
friend  
Whoa, it's time to get moving!

Every day, kono saki no shine de(shine de)  
I wanna see you hikaru my soul on fire  
Kore de miosame no fun days  
To be the future, mezashi take over, dakara I'll dream  
on!  
I'll go the distance  
Mihatteru sora so full  
Nonikoda starting  
Ore ga saikou no power, full tilt!

Every day, lit up by the shine ahead  
I wanna see you it lights my soul on fire  
But now, we've bid farewell to those fun days  
To be the future, I'll try to take over, and that's why I'll  
dream on!  
I'll go the distance  
Gazing at the sky so full  
I'm just now starting  
I'll use my greatest power, full tilt!

You are my friend  
Aa, ano hi yo yume, ima demo mada wasuretenain  
deshou?  
You are my dream  
Aa, hajimete bakka, kimi wa my long lost friend  
Whoa, ima tabidatsu yo!

Aah, next time I'll protect you my way  
Whoa, the distance
