CHORUS:

DO THE IMPOSSIBLE  
SEE THE INVISIBLE  
RAW! RAW!  
FIGHT THE POWER!

TOUCH THE UNTOUCHABLE  
BREAK THE UNBREAKABLE  
RAW! RAW!  
FIGHT THE POWER!

What you gonna do is what you wanna do  
Just break the rule, and you see the truth  
This is the theme of \*G\* coming through baby!  
RAW! RAW!  
FIGHT THE POWER!  
Verse 1st

Power to the peeps, power to the dream  
Still missing piece scattering, so incomplete  
We be the most incredible soldier from underground  
See how easy, we all fall down  
Digging to the core to see the light  
Let's get out of here babe, that's the way to survive  
Top of the head, I'm on the set  
Do the impossible, don't you wanna bet?  
Cuz, alot of things changed, we be waiting in vain  
If you wanna get by, no pain no gain  
WOW! Fakers wanna test me again  
(Damn! Suckers wanna test me again)  
Sorry, my rhyme's gonna snatch your brain  
We gonna make it happen with the crazy rap  
(I'm still starving for the straight up shit)  
We gonna make it happen with the crazy rap skill (shit)  
Get ready to rumble, now is the time  
If you don't know, now you know

(Good luck fellows! ha ha)  
- CHORUS -  
Verse 2nd

2nd verse dedicates to the real peeps  
What we got to say is so real thing  
(What we got to say is damn real thing)  
Cuz, revolution ain't never gonna televise  
Kicking the mad flow, microphone phenotype  
(Kicking the dope shit, microphone phenotype)  
Open your third eye, seeing through the overground  
I'm about to hit you with the scream from the  
underground  
Whole city is covered with the cyber flavor  
\*G\* is in your area, one of the toughest enigma  
- CHORUS -
