English

The key to
My rusted heart
Is always nearby
Laughing!
I want to find a happiness that has no shape.
Even if by opening it, a rain of darkness starts falling.
This huge dream that can't be voiced.
I'll grant to you, even if it deepens my wounds.
Believe in us, because then we
Can keep talking without looking away.
If one day you realize that there's no light in your life
I'll change that, and illuminate
All your memories, directly.
I bet God is testing our hearts,
If someone briefly catches your ear in this world,
I bet you're trying to find my song.
I'll always be waiting near your dreams to catch hold of

your song.
The key to
My rusted heart
Is always nearby
Laughing!
