

Magdalene "Life Beyond Death"

Visit "[Life Beyond Death](#)" on MotoLyrics.com

This is what I am - Flesh with a soul
This is what I'll be - Soul without flesh
Someday will come when I should die
Death for a flesh; life for my soul

There'll be no pain
There'll be no tears
I will be free forever more...
I'm gonna live forever
In a place called PARADISE
I've had the Bread of Life now I'm ALIVE
I'm gonna live forever
I will not Die No More (anymore)
The Blood of GOD washed me I'm ALIVE
There is a Flame down in my heart
No naked eye could ever see
Someday will come when you will see
Burns out the flesh; wake up my soul

ALIVE! ALIVE! I'm ALIVE!

I'm washed, I'm cleansed, I'm free now I'm alive
I'm washed, I'm cleansed, I'm free now I'm alive
