Staring into the world what do you see?  
Life seems so cold it's hard  
This world is weeping  
As far as the eye can see - 'Ocean of Tears'  
No light to shine on earth  
Something's wrong, so wrong

Deadly war breaks out we're dying  
Nation breaks down we're crying  
Blood of innocents flowing why Oh! Why?  
Millions of soldiers dying  
Leaving their family crying  
This world breaks down to pieces why Oh! Why?

Save me. Here I am Lord, I'm Lying Helpless  
Save me, Here I'm Down Lord I'm Calling Out Your  
Name

Deadly war breaks out we're dying  
Nation breaks down we're crying  
Blood of innocents flowing why Oh! Why?  
Millions of soldiers dying  
Leaving their family crying  
This world breaks down to pieces why Oh! Why?

Here I am waiting for you Lord  
Now I'm in fear to stand alone
