I see you watching  
You're so afraid to move  
The music's bumping  
So what you gonna do  
The DJ's calling, You're stalling  
Come on stop taking so long  
This is your song  
(I know you want it I can see it in your eyes)  
You can't escape so don't run from what you can't hide)  
You gotta let it go, why you acting insecure  
I know you want it so  
Meet me on the dance floor

Chorus:

Meet me on the dance floor  
I can't take it no more  
Meet me on the dance floor  
Meet Me

Verse:

I see you watching  
Don't wanna be the first  
The floor is empty  
So you just wait your turn  
You know you came here to party so why taking so long  
This is your song  
(I know you want it I can see it in your eyes)  
You can't escape so don't run from what you can't hide)  
You gotta let it go, why you acting insecure  
I know you want it so  
Meet me on the dance floor

Chorus:

Meet me on the dance floor  
I can't take it no more  
Meet me on the dance floor  
Meet Me

Bridge:

What you waiting for, back against the wall  
It's like a miracle when you're on the floor

Got me feeling like I've been waiting for this moment  
Don't you wanna go

I see you watching  
You see me watching you  
I see you watching  
You see me watching you

I see you watching  
You see me watching you  
I see you watching  
You see me watching you

Chorus:  
Meet me on the dance floor  
I can't take it no more  
Meet me on the dance floor  
Meet Me

Dancing, dancing, dancing, dancing  
Dancing, dancing, dancing, dancing
