I'm a roller coaster turning round  
You look me up when I'm Upside down  
Turn on my junebox follw me  
We come together endlessly

Wao Wao Wao Wao Wao Wao Wao Wao

We roller skate on the boulavard  
All the fancy people in their fancy cars  
We'll watch the waves come crashin in  
I'll see the salt sparkle on you skin  
Take me on your faris wheel  
On the avenue  
Let me take you by the hand  
Cast a spell on you

I'm a roller coaster turning round  
You look me up when I'm Upside down  
Turn on my junebox follw me  
We come together endlessly

Wao Wao Wao Wao Wao Wao Wao Wao  
Kissing on the boardwalk after dark  
Sit and watch the fireworks in the park  
I will be your water fall  
Spilling in your sky  
A real romance everytime we dance  
Magic light in your hair  
On the avenue

I'm a roller coaster turning round  
You look me up when I'm Upside down  
Turn on my junebox follw me  
We come together endlessly

I'm a roller coaster turning round  
You look me up when I'm Upside down  
Turn on my junebox follw me  
We come together endlessly

Wao Wao Wao Wao Wao Wao Wao Wao
