I swear we had it baby
It's so dramatic lately
I keep on trying
Got me crying,
Seems you want it this way!
With every word that you say
I let you play with my head,
Your empty promise is so...
Like you're broking mine!

Bridge:
What if you are my obsession?
Taking on my aggression,
Think that you can handle me,
Wanna deal with me the way I did!
I wanted to get you attention,
... my own affliction
When no one is around
Kick you when you're down
Tell me, would you like that?

Chorus:
Trapped after all that you...
Put me through you
Think you got a hold of me
Don't you know I'll never be
Trapped!
I feel like I was
Trapped!
You know you had me
Trapped!
And I will never look back or fall into your
Trap!

It's like it makes you happy
To shatter all the memories,
Until this day they bring me back to how I felt so...
My... heart is broken,
Our dreams are left unspoken,
You took the life right out of me
Boy you're so cold, I'm frozen!

Bridge:
What if you are my obsession?
Taking on my aggression,
Think that you can handle me,
Wanna deal with me the way I did!
I wanted to get you attention,
... my own affliction
When no one is around
Kick you when you're down
Tell me, would you like that?
