Welcome to N.A.S.A
North America
South America
N.A.S.A. is unity

N.A.S.A. is a unique cooperative effort
With our counterparts all over the world.
We create together breaking boundaries
And borders set for us by society.

We tend to bring elements that maybe were
Built 2000 miles apart, and the first time
They see each other is on record.

Our aim is to transcend preconceived divisions
That are in place to keep us divided.
Music and art have tremendous power of bringing
People together, and this is our goal: To show
Through these mediums that we are all one race of
human beings
