Verse: (Barbie Hatch)

I met a boy from under the ground
He said, "Girl, won't you come on down
to my way of thinking
California is sinking
It won't be long now"

Chorus: (Barbie Hatch)

Don't ask me where I've been (way down)
Don't ask me where I've been (way down)
Don't ask me where I've been (way down)
Don't ask me where I've been (way down)

Verse: (Barbie Hatch)

All of me loved the gathering dark
Through the wires of my cold heart
He was calling
His eyes wre like falling
I burst like a star

Chorus: (Barbie Hatch)

Don't ask me where I've been (way down)
Don't ask me where I've been (way down)
Don't ask me where I've been (way down)
Don't ask me where I've been (way down)

Verse: (Barbie Hatch)

I met a boy from under the ground

He said "Girl, you're mine now
And no turning
Away from this burning
It's all over now"

Verse: (RZA)

yo yo yo yo yo
Underground king only heard and not seen
Therefore, I exist in the deepness of your dreams
No exaggeration, you trapped in my infatuation
I'm like a wire tap and strapped to your imagination
Years of love, tears of blood
You was at the club like beers and drugs

How I'm trapped in limbo with your golden fish symbol
To see the soul, use my eyes for a window
Only if I could escape from the loneliness
The assault of your love is felonious
It was your kiss that broke my narcissist
Still I roam this earth, like the Prince of Darknesses!

Chorus: (Barbie Hatch)

Don't ask me where I've been (way down)
Don't ask me where I've been (way down)
Don't ask me where I've been (way down)
Don't ask me where I've been (way down)
