Verse (Spank Rock)

My blood bro call me over
Like where you been my brother?
What they got you under?
How's it been I wonder?
K kid you dream just like me
They brush me off then bite me
Wanna make some money then hype me
Get all dislike just like me
Burn that bridge then write me
Now these girls they like me?
Never give no nerd no pussy
Go straight to the head like books me
I take it all like crooks, see
Wait a second that's homegirl callin' me
Hey girl, I been waitin' all day for you to

Chorus: (M.I.A. and Santogold)

Bridge (Spank Rock):

Don't be gettin all loose in my Bluetooth
What you gonna believe, me or Youtube?
She ain't eatin' my ass like you do
Or take it in the ass like you do
Plus where you been safe haven
Ain't thin as my skin
And they got this room around me
'Cause the box they put me in
They won't think past
Hey girl, I got nooses round my neck
They gonna knock this shed from under me
For reasons you'll regret
How you gonna dance?
Put your leg up
Go head girl, put your leg up
Go head girl, put your leg up
Go head girl, put your leg up (like this)

Chorus: (M.I.A. and Santogold)

Whachadoin?

All the gals call my house
and they say they see you out

You lie you lie you lie!

You lie you lie you lie!
You lie you lie you lie!
