Whatcha doin'?

All the girls come my house,  
and they say they see can how, and you just let it pop

Now why you lie?  
You lie you lie you lie!  
You lie you lie you lie!  
You lie you lie you lie!  
You lie you lie you lie!

Whatcha doin'?

All the girls come my house,  
and they say they see can how, and you just let it pop

Now why you lie?

You lie you lie you lie!  
You lie you lie you lie!  
You lie you lie you lie!  
You lie you lie you lie!

My bedro call me over  
Like 'where you been my brotha?  
What they got you unda?  
How's it been I wonda?'  
Can't keep you dreams jus' like me  
They brush me off then bite me  
When I make some money then hike me;  
Can not pump this like me  
Burn that bridge then white meat  
Now these girls they like me  
Lemme get no nerd no pussy  
Goin' straight to they head like books meet  
I take it on like Cooksey  
Wait a second that's homegirl callin' me  
"Hey girl, I been waitin all day for you"

Whatcha doin'?

All the girls come my house,  
and they say they see can how, and you just let it pop

Now why you lie?

You lie you lie you lie!  
You lie you lie you lie!  
You lie you lie you lie!  
You lie you lie you lie!

Whatcha doin'?

All the girls come my house,  
and they say they see can how, and you just let it pop

Now why you lie?

You lie you lie you lie!  
You lie you lie you lie!  
You lie you lie you lie!  
You lie you lie you lie!

Don't be gettin all loose on bluetooth  
What's she gonna blame me on youtube?  
Sayin' eat my ass like you do  
Or take it in the ass like you do  
Cuz where you been, safe haven?  
Make them as my skin  
And they got this room around me cuz the box they put  
me in  
They want they fast  
Hey girl, I got nooses round my neck  
They gon' knock this shed from under me for reasons  
you'll regret  
How you gon' dance? put ya leg up  
Go head girl, put ya leg up  
Go head girl, put ya leg up  
Go head girl, put ya leg (like this)

Whatcha doin'?

All the girls come my house,  
and they say they see can how, and you just let it pop

Now why you lie?

You lie you lie you lie!  
You lie you lie you lie!  
You lie you lie you lie!  
You lie you lie you lie!

Whatcha doin'?

All the girls come my house,  
and they say they see can how, and you just let it pop

Now why you lie?

You lie you lie you lie!  
You lie you lie you lie!  
You lie you lie you lie!  
You lie you lie you lie!
