Well here I am
Staring straight at you
With nothing left to do
Stunned quiet by the implications
It's a glorious equation - you and I
I'm flying high on the indications
You could be sticking around awhile

I'm alone
When I can't fake it
I'm alone
When my last defenses fall
And I'm alone
And open to attack
Don't make me step back from you
Take me as I am
A crumbling man
I could be a real fixer-upper
You could be my Raggedy Ann
Take me as I am

Sometimes in the afternoon
When I haven't got my fix of you
Across the room I'll hear your voice
And know I don't have any choice
That's just the way it is
When I think about you leaving
It lays me low
It lays me low

I'm alone
When I can't fake it
I'm alone
When my last defenses fall
And I'm alone
And open to attack
Don't make me step back from you
Take me as I am
A crumbling man
I could be a real fixer-upper
You could be my Raggedy Ann
Take me as I am
