"There's a hole in the sky  
but don't ask me why  
Because I don't know  
There is a long way to go  
Future will show  
Where the road is leading me  
I will never die  
Cause I will fly  
To the other side  
I'm trying to fight  
For what is right  
But evil spirits pass me by  
They do what they want  
They just don't care  
What you feel or what you say  
I will never die  
Cause I will fly  
To the other side  
There's a hole in the sky  
but don't ask me why  
Because I don't know

There is a long way to go

Future will show

Where the road is leading me

I will never die

Cause I will fly

To the other side
